WASHINGTON PARK TO BE MADE A BEAUTY SPOT FOR RECREATION

City Plans Extensive Improvements and the Enlargement of Grounds.

Improvement and beautification of Washington park are the hobbies of the present city administration, and it is proposed to work on it steadily with a view to making it a place of beauty and recreation.

GIVES MEN THIS VITALITY of YOUTH

Vitality is the thing which makes success. It gives men that compelling power which sends them forth eager and equipped to meet and overcome all obstacles. It is the thing which gives the young soldier courage to face death; it is the thing which inspires and holds his wife's or sweetheart's love and faith. No matter what your age, you can enjoy this same vital power; you can regain the vigor you have lost; no matter what indiscretion may have sapped your strength. Vitality makes you "young" and keeps you "young." From an intimate and studious observation of thousands of revitalized men, I say to you that VITALITY or the lack of it means all the difference between a manly man and a half man. The man who bubbles with vital power will exert a pleasant influence upon all with whom he comes in contact; people are naturally attracted to him. Lack of vitality is a negative condition, and it even repels. You wear my HEALTH BELT all night. It sends a great, glowing, heart-giving current of electro-vitality into your nerves, blood, and organs. It takes all the "kick" out of your back and all the coward out of your make-up; it puts you right up in the "feeling fine" class, and keeps you there. No stimulation, no false results; just a sure return to manhood and courage. The special electro-vital suspension is free with each belt. Recommended also for rheumatism, pain in the back, kidney, liver, stomach and bladder disorders. It makes you feel young and keeps you feeling young forever.

ing influence upon all with whom he comes in contact; people are naturally attracted to him. Lack of vitality is a negative condition, and it even repels. You wear my HEALTH BELT all night. It sends a great, glowing, heart-giving current of electro-vitality into your nerves, blood, and organs. It takes all the "kick" out of your back and all the coward out of your make-up; it puts you right up in the "feeling fine" class, and keeps you there. No stimulation, no false results; just a sure return to manhood and courage. The special electro-vital suspension is free with each belt. Recommended also for rheumatism, pain in the back, kidney, liver, stomach and bladder disorders. It makes you feel young and keeps you feeling young forever.

Let Me Send You
This Book
FREE

It fully describes my Health Belt and contains much valuable information. One part deals with various ailments common to both men and women, such as rheumatism, kidney, liver, stomach, bladder disorders, etc. The other part is a treatise on vitality and how to regain and keep it. Both sent upon application, sealed in mail.

If in or near this city, take the time to drop in at my office that you may see, examine and try the belt. No charge for professional advice, either at my office or by mail. If you can not call, fill in the coupon and get the book free by return mail. It is better than a fortune for any one needing new vigor.

DR. E. A. SANDEN CO., 1261 Broadway, New York, N. Y.

Dear Sirs—Please forward me your Book, as advertised, free.

DEVELOPMENT

WORK STARTS ON NEW SCHOOLHOUSE

Toyah Is to Have a \$25,000
School Building by
Next Fall.

Toyah, Texas, April 16.—Work has started on the new school building to be erected here in the direction of Bruce, Walker & Co., of Calhoun, New Mexico. The building and grounds will cost \$25,000 and will be one of the most modern in the west. Among other equipments the city will drill an artesian well on the premises and in this way provide ample water for fire protection and beautifying the grounds. Every effort will be made to have the new building ready for occupancy at the fall term.

HBs Electric Lights.
Toyah probably enjoys the reputation of being the smallest town in Texas with electric street lights. The city authorities have recently erected 16 lights throughout the business district and in this way have placed Toyah among the five wires.

**BEGIN WORK ON BIG
ALFALFA WAREHOUSE**
Structure at Balmorhea Will
Be the Largest in
West Texas.
Pecos, Texas, April 16.—Work was commenced at Balmorhea, the southern terminus of the Pecos Valley Southern railway, this week on the foundation of the Toyah Valley Hay company's hay sheds and alfalfa bins. The building to be erected is a long, low structure, the foundations being constructed of solid cement. The walls and roof are of iron and steel, and the entire structure will be 15,000 pressed bales of alfalfa. The company is strictly a home company, composed of business men at Balmorhea, Pecos and other points in the Toyah and Pecos valleys. The company expects to purchase in lump lots practically all the alfalfa produced in the lower Toyah valley and haul it in to the Balmorhea and Pecos and southern states markets. J. H. King, formerly of Gainesville, Texas, but now of Balmorhea, Texas, is the president of the new company.

**MONTEREY TO GET
ANOTHER BREWERY**
Monterey, Mexico, April 16.—A new brewery is to be established in this city within the next six months, a company having been organized with a capital of \$50,000 with a concession from the government which allows six months time in which to purchase lands on which to erect the buildings, and a year to get into operation. The new building will be a modern one, the Cerviceria de Monterey and at present has its offices in the Botica San Luis office building on Zaragoza street. The new building is a well-known business men, Dr. Ramon Trevino, Juan Forseeck, Ramon Lozano, and other prominent citizens of this city. At present the new company has in view the purchase of a tract of land in the northwestern section of the city. The new brewing company will also install a cold storage for meats.

**TUCUMCARI PLANS
FOR "Y" BUILDING**
Tucumcari, N. M., April 16.—A movement on foot here to erect a modern Y. M. C. A. building and establish a branch of this institution in Tucumcari. This idea has been suggested several times within the last two or three years, but it has never been pushed. Subscription lists are now being prepared for the signatures of those who will assist in the undertaking. These will be circulated among the business men and trades men of the city. An offer has been made by J. R. Wasson, formerly owner of the local telephone system, of a lot on the southeast corner of Smith and Adams streets, on which to erect the building.

NEW BACA COUNTY BOUNDARY IS GIVEN

Nara Visa, N. M., April 16.—The proposed new Baca county, with Nara Visa for county seat, for which a bill has been introduced to the legislative assembly in Santa Fe, is to include the territory from the southern line of township 13 in Quay county to the northern line of township 21 in Union county, and from the Texas state line to fractional range 37 westward to the east line of range 30. There is an abundance of taxable property for maintaining a county organization.

W. Arthur Jones has been appointed United States commissioner for the Nara Visa country by Judge Wm. H. Pope of Santa Fe, and has opened his office in the News-New Mexican building.

CARRIZO PLANS ROAD BOND ISSUE

Carrizozo, N. M., April 16.—At a public meeting of the people of Carrizozo, the subject of good roads and a settlement of the county seat controversy were brought up. Those who attended the meeting were in favor of a \$20,000 bond issue for good roads in order to secure the ocean to ocean route going through Lincoln county. There is talk of having special legislation permitting the county to issue the bonds and by having the greater part of the money expended on roads in the eastern part of the county, the citizens of that part of the county are to disburse the proceeds which now prevent the completion of the court house in Carrizozo, which is still unfinished. A committee was appointed to take up the matter with the Lincoln faction.

Tom Davis, local storekeeper here for the E. P. & S. W., has left for Fairbanks, Ariz., where he will take charge of the material of the company at that place.

HERALD READERS ATTENTION

The Amateur Advertising Contest Will Appear in The Herald of April 20th. It is a well known fact that Herald readers at all times benefit greatly from the advertisement. The special advertising feature scheduled for Saturday, April 20th, is a special prize of \$25.00 to the person who re-writes its advertisement in the best manner. This contest is one of unusual merit and the great number of business firms represented makes the cash incentive well worth while.

Household Remedy

Taken in the Spring for Years.

Ralph Rust, Willis, Mich., writes: "Hood's Sarsaparilla has been a household remedy in our home as long as I can remember. I have taken it in the spring for several years. It has no equal for cleansing the blood and expelling the humors that accumulate during the winter. Being a farmer and exposed to bad weather, my system is often weak, and I often take Hood's Sarsaparilla with good results." Hood's Sarsaparilla is Peculiar to itself. There is no "just as good." Get it today in usual liquid form or tablets called Sarsatabs.

CUPID KEEPS ON THE GO IN CLOVIS

Two Weddings Occur at the
Same Hour, and One
Is a Surprise.

Clovis, N. M., April 17.—Two weddings at the same hour occurred in Clovis yesterday. At the home of Mr. and Mrs. L. H. Snyder, their daughter, Stella, was married to Robert O. Robertson, Earl Owens acting as best man and Miss Maud Beck attending the bride. At the same hour Miss Viola Nash and Charles L. Lockmiller were married by Rev. Columbus A. Clark, pastor of the First Methodist church, in the county clerk's office at the court house.

This wedding came as a complete surprise. The young couple had long been lovers, but it was generally understood their wedding day was quite removed. Having made previous arrangement they were met at the court house at the appointed hour by county clerk A. L. Awalt, Rev. Columbus A. Clark, and a few select friends, where the license was issued and the ceremony performed.

The funeral service over the remains of Edna Johnson, daughter of Mr. and Mrs. L. C. Johnson, was conducted from the family residence by Rev. S. B. Callaway, assisted by Rev. Columbus A. Clark. The funeral was largely attended. The floral offering is said to have been the most elaborate ever given in this community. Six teachers of the public schools were pallbearers.

Friends here have received letters from George W. Cox, of Santa Fe, to the effect that he received a pardon from governor McDonald last week, and was released from the penitentiary. Mr. Cox was sent up from the county for three years for alleged homicide and had served only a few months. He is a man over 60 years of age, and aside from this one difficulty said to have never been in court before in life.

W. O. Oldham and wife, and A. A. Rogers, of this city, in the auto of Mr. Rogers. They report the new auto road from Santa Fe to Portales nearly complete enough to make traffic between the two towns by auto a luxury.

REAL INDIAN CHIEF VISITS EL PASO

Okima, chief of the Kiekapoo, accompanied by Mrs. Okima or whatever she is called in Kiekapoo, was a guest of the Union Station company between trains Tuesday.

Okima is no moving picture chief. He has a title in his own right and a string of ranches in Oklahoma and Mexico which would make a paleface feel good under his chest protector. He is a member of the Kiekapoo tribe which separated from the main body of Indians in Oklahoma and went to Mexico to settle in Chihuahua below Douglas, Ariz. He and his square were homeward bound for Oklahoma City, where they have a son and heir who operates the ranches and collects the revenues from the old chief's ranches.

Okima wears all of the scenic effects of the modern red man—Stetson hat, moccasins, leggings, variegated blanket, blue shirt with beads and bright bits of ribbon and a furling of two of beads wound around his saddle colored neck. The chief is past 70, according to the count he makes on his gnarled fingers.

Something new—burntized tin-snaps; 8 last longer, straighter and cheaper than cedar. Carried in stock only by Lumber Co.

Your Neighbor Says:

Flagstaff, Arizona.
Mr. Frederic J. Haskin, Care The Herald, El Paso, Texas.
Dear Sir:—I have read your book, "The American Government," with much interest. Besides containing valuable information about the several departments and branches of our Government, it is written in an interesting manner. It will hold the attention of all persons interested in our Government, and awaken interest in such as lack it. The busy man and the student at school will find it profitable reading, and now while there is so much interest in "Female Suffrage" the women of this country should read it.

Very truly yours,
F. W. Perkins.
Late Member Board of Education, Northern Arizona Normal School.

The Accuracy of this book is attested by the fact that each chapter has been approved by an eminent authority—that on the President by President Taft, that on the Department of State by Secretary Knox, that on the House of Representatives by Speaker Clark, and so on throughout the thirty chapters of the book.
